2016-17 ACCOMPLISHMENTS

- Organized actions and phone banks as part of the successful effort that **stopped the repeal of the Affordable Care Act and saved Medicaid/Medi-Cal!**
- As a core member of the newly-formed Bay Resistance Network, helped **fight back against Trump's attacks** on poor people, people of color, seniors, people with disabilities, LGBT people, and other marginalized communities. Marched with thousands on Inauguration Day and May 1st, contributed to the Bay Resistance Mass Meeting in March, and more.
- **Defeated Propositions P & U** in the November 2016 election, which would have displaced low-income tenants for the sake of real estate developers.
- Ensured that the city's inclusionary housing policy includes a minimum of 10% low-income housing.
- With coalition partners, crafted and won enforcement legislation to deal with fraudulent Owner Move-In (OMI) evictions, plus legislation holding short-term rental platforms (like Airbnb) accountable for listing unregistered hosts and contributing to the eviction crisis.

- **Helped secure \$2 million in rental subsidies** for seniors and people with disabilities from the City of San Francisco, working with the Dignity Fund Coalition, HESPA, and others.
- Worked with city government to start a **SRO Elevator Repair Rebate Program**.
- **Supported the process of launching Support at Home**, San Francisco's brand-new home care voucher program for upper-poor seniors and people with disabilities.
- **Won longer crossing times** at key intersections in the Bayview and **built a strong campaign** throughout San Francisco to allow seniors and people with disabilities more time to cross the street safely. This campaign was the culmination of transit justice classes held in SOMA, Bayview, and Richmond.
- With a statewide coalition, **advanced single-payer healthcare through the California State Senate!** Held trainings and got more attention than ever before.
- **Developed a new training called "Getting More for Less,"** about free and discount services available to seniors and people with disabilities. Reached 110 people through 6 trainings.
- Partnered with the California Domestic Workers Coalition and Hand in Hand to put out a **new report about seniors and people with disabilities who employ home attendants**.
- Trained 200+ people in **workshops on disability and ableism**. Also held trainings for seniors and people with disabilities about how to hire home care workers and set up respectful and mutually beneficial working relationships.
- Made sure that legislators in Sacramento heard from seniors and people with disabilities by partnering with allies and bringing busloads of people for **Senior Rally Day, Disability Capitol Action Day, and housing advocacy days**.
